MUSIC DEPARTMENT

Music Exams:

In cooperation with the Hellenic Conservatory of Athens, students can take practical exams twice a year: every Fall (usually between 20-31 October) and Spring (usually between 20-31 May). The examiners of the Hellenic Conservatory of Athens (HCA) listen carefully to the students' programs, talk to them and offer guidance whilst also reviewing the students' progress with their instructors. Students need to prepare a specific exam program chosen from the exam syllabus for each level. The possibility of students being examined solely on scales or pieces exists only with examiner's permission. All students must take theory exams. Higher level students must have taken theory prerequisites. The exams for young beginners are held once a year in June.

Pre-Exams

All students registered for the Hellenic Conservatory's exams must participate in the mock exam process. Students need to be on time for the scheduled mock exams.

Certificate/Diploma Exams

There are various requirements which students must fulfill in order to be accepted for a certificate/diploma degree. These requirements are different for each instrument, thus, the certificate/diploma students have to talk to their instructor and/or administration office in advance, in order to sort out these requirements. Certificate/diploma students need to have met all theory exam prerequisites 6 months prior to their exams date. During certificate/diploma exams, the students may perform in front of an audience (anoikto pythio) or just in front of the five-member committee (kleisto pythio).

ISOM & LCME Exams

Potenzia Del' Arte also cooperates with the **International School of Musicians** (ISoM) and **London College of Music Examinations** (awarded by the University of West London).

ISoM & LCME examiners are experienced professionals. All examiners have worked with ISoM & LCME for several years examining students all across the world. We can guarantee that every ISoM & LCME examiner has a proven track-record in examinations and education and are truly experts in the field. International School of Musicians and London College of Music Examinations are recognized by Ofqual (the Office of the Qualifications and Examinations Regulator) and candidates can receive UCAS points (Grade 6 +) to use for studies in the UK. We offer you all the help and guidance you need before during and after the exam. Exams will take place at our premises, and you have a choice of either recording a video of your performance or book a time to have the exam live online.

DANCE DEPARTMENT

Dance Exams R.A.D & ISTD.

All ballet students are encouraged to take the Royal Academy of Dance (R.A.D.) exams and Modern Dance students take their exams through ISTD. Potenza follows the rules and regulations set by R.A.D. Mock-exams are scheduled before the exams and are usually open to the students' family members to watch and track their children's progress. All students who register for the exams must go through mock exams, as determined by the Management.

All students can gain credits and UCAS points upon completing successfully their exams. Students must come already wearing their uniform apart from their dance shoes.

MUSICAL THEATRE DEPARTMENT

Musical Theatre Exams

We encourage our students to take ISoM Musical Theatre Group or Solo examinations. All candidates can gain credits and UCAS points.

THEATRE DEPARTMENT

Theatre Exams

With the recognized ISoM examinations, we recommend that all Theatre students take the ISoM Acting exams, especially at the higher levels, where they can earn credits and UCAS Points.
